Would just like to say how deeply sorry we are that Sally has passed on. We will miss her dearly, she was a wonderful person and truly an awesome Aunt to me. We did not see her that often because of the miles between us but I remember the stories like it was yesterday. She could be so serious one minute and then just a total ball of laughter the next. We always had fun when we were around each other. Just want to say to the Family out that way that you are all in our prayers and we Love each and everyone of you. Ed and Betsy would also like to say that they are thinking of you all at this most difficult time and they to Love you all.

Here is a prayer for the family that I found as I offer my condolencesTo Those I Love...When I am gone, just release me, let me go -- so I can move into my afterglow. You mustn't tie me down with your tears; let's be happy that we had so many years. I gave you my love, you can only guess how much you gave me in happiness. I thank you for the love you each have shown, but now it is time I travel on alone. So grieve for me awhile... if grieve you must...then let your grief be comforted with trust. It is only for awhile that we must part, so bless the memories within your heart AND THEN, when you must come this way alone, I'll greet you with a smile and a "WELCOME HOME"Barb Griffith
