Polly (Burden) Carter lit a candle in honor of Charles.

Sending prayers and love to you Mom Ellison, Chip, Holly, and your families. Thinking of you all and remembering Pop Ellison. One of the greatest men I have ever known. I am so happy he let me call him Pop and become a part of your family, so many years ago. The room would light up when he entered. He was so much fun, to be around, always, joking and spreading the love of Jesus. I thank God for all of you, my adopted family. Love ya, Polly

I remember as a young girl, Charles and Helen coming to Harveysburg and setting up movies in the school yard for us to watch. They would minister to those willing to listen, and offered free rides to church for anyone who wanted to go. They were both caring and loving people who gave so much of themselves and expected nothing in return. My sincerest condolences go out to his wife Helen and children Chip and Holly for their loss. Charles will truly be missed by us all. Kimber (Payton) Willard

As a friend of Chip's I want to offer my sincerest condolences to the entire family. I did not know your dad Chip but from what I read about him in the obituary I can see why you're such a nice guy. I lost my dad 17 years ago and still think about him almost every day. May God's comfort be with you and your family. May you celebrate a life well lived. Harley Grim
