Donna and I were very much affected by this news.....just reading the very brief details of his life and passing, we see many names of loved ones we have come to know over the years....many of us having shared the Lebanon experience. Certainly, David's legacy that has so enriched not only Lebanon, but Waynesville and other places during his long life, can be witnessed as people spend time at the VIP and elsewhere that he graced with time and effort, side by side with members of the family. We thank God for granting HIS special PEACE at this time to ALL OF YOU. Donna and Jim Norris
