She had such a beautiful and contagious smile. She was truly one of a kind. My favorite memory of her is at Harveysburg school persuading her granddaughter to stay at Kindergarten and stop trying to run away. I believe it involved a peach tree switch! She will be missed by all who knew her.Ann Carr

Nellie I know you are in a better place but I will miss you at our meetings. Thank you for sense of humor that seemed to match mine and got us in a lot of trouble at times. I will miss your pies and cakes and your homemade noodles. Thank you for the doll that you made me that helps me keep my stress level down and I whack the stuffing out of it a lot. My prayers for your family for their loss of a wonderful lady. Cindy Frye

Nellie was beautiful inside and out and I never was around her without her making me laugh and smile. What a talent she had to make folks feel good. We need more Nellie's in this world. She will be missed but I know she will be waiting to welcome us on the other side...with that great smile.
