I am at such a loss for words right now but want the family to know Nina will be missed. The children looked for Nina everyday knowing she would be bringing them their meals for the day. She was a big part of the Lebanon center and our Head Start family. Sending hugs and prayers to the family.

I will miss Nina! She has been working with our Head Start program for so many years, and it won't be the same without her! She was dedicated, and always willing to help. I was so happy to see her just a couple of weeks ago when she stopped in the South Lebanon Center to reserve the building for her family gatherings. She was excited about returning to work. My heart breaks for her family. I'm so sorry.
