My sweet Ben. I miss you so much already that words can't describe. You helped raise me, and I will forever thank you and carry you in my heart. I always considered you more than a sister, you were my second mom. I never knew you to have a mean word about anyone. That's just how sweet your nature was. Since you've been sick, I can't count the times you asked about your babies and your Sunday School class. I can assure you that you have influenced many children's lives including my own kids and grandbabies. Thank you, Ben, for sacrificing for me. I wish I had you back to hug one more time. One day in heaven we will meet again and hug for as long as we want. I hope you know I treasured you and loved you with my whole heart. I don't understand why you had to leave so soon, but I know you are in perfect rest with the Father. Love, Baby Sister, Jackie

So sorry to hear about Belinda. She was such a sweet person. We were friends from Ghent Mfg., and stayed in touch for a couple yrs. afterward, guess we both got busy and lost touch with each other. I certainly regret that. Billie Miley
