John Anthony Faig

NOV 12, 1949 - JUN 2, 2020

F AIG, John Anthony, age 70, of Oregonia, passed away Tuesday, June 2, 2020 at Ohio Living Quaker Heights in Waynesville.

John graduated from Roger Bacon High School in Cincinnati. He served in the Marine Corps during the Vietnam War, where he received a purple heart. He retired as an engineer with GE. He was very patriotic and was a huge supporter of the Cincinnati VA. As a quiet person, he typically stayed to himself, but at times could be quite the comedian. He was also known to be very intelligent and headstrong. In his spare time, he greatly enjoyed working on cars and tinkering with a multitude of things.

He was preceded in death by his parents Harold and Ruth Faig. He is survived by his daughter Tracy (Andrea Jackson) Faig; four grandchildren Obar Collins II, D. Jackson, Ana Barham, and Anthony Henley; three great grandchildren; one brother Harold; and five sisters Patty, Sherry, Bonnie, Becky, and Tammy.

Celebration of life service will be 10 AM Friday, June 12, 2020 at Wellman Group Family Camp at Caesar's Creek State Park in Waynesville. Stubbs-Conner Funeral Home in Waynesville is serving the family. Condolences at www.stubbsconner.com.

Bonita Wells sent a virtual gift in honor of John.

John came into my life at the age of 10 for both of us. His father married my mother. He was one of 2 boys on his fathers side with 3 girls and a boy added from my mother. Life wasn't easy in a blended family where he was no longer the youngest getting the attention that would gain you. We shared the same grade and went through the same classes together from then to 8th grade. After that he went to Roger Bacon HS and I went to a public HS. I joined the US Navy out of HS and he joined the US Marines many months later. Vietnam was tough enough and then when these men came home they did not come to a big welcome but to be spat upon etc. Out country was in uprising over the War. So these men went underground to suffer the pains of war and try to live out their lives. But for John the effects of Agent Orange and mental issues became overwhelming. He is now free of those Demons and in a better place. RIP USMC from your Sister in tow ways. Family and the military.

Tamara Mavroides , Sister posted:

Johnny was a big brother to me while I was growing up. I remember him playing Jimmy Hendricks and ironing shirts on Fridays, getting ready to go out. I sat and we talked. That is my fondest memory of John. He delivered papers got up early in the morning as a first job. He loved to sit and sketch. He also played softball tag and outdoor games with the neighbors. He volunteered and joined the Marines as a radio man, he used to tell me. He was a good listener. Love Tamara
