Beth was an amazing person! A few things really stand out in my memory among all the good Beth shared with the world. She made sure to spend quality time with the people she cared about. I loved seeing my grandpa's face light up when she came to visit him. It was always a treat to visit with her because her stories were some of the best- stories about her Sunday school classes or family members that made herself giggle so much that you couldn't help but laugh along with her. And, she was a giver to all those she knew. Any function was sure to have festive and beautiful decor if Beth was planning it and, she could make a gift basket more beautiful than any I had ever seen before. She will be deeply missed and always remembered.

Beth was a very special person! I worked with both Beth & Mark at Peoples. She was a hard worker and an inspiration for all those around her. We had so many good times working together. Beth would often get us smiling and laughing. She surely will be missed by many. Rest In Peace, Beth.

Beth was one of a kind. I had the pleasure of working with her and Mark at Peoples Community Bank. They are amazing people. She touched everyone she came in contact with, myself included. Such a caring and genuine lady. The world is better because of her. Mark and her family will be in my prayers.

I worked with Beth at FFB. She was a great person, loyal to her friends and a great leader. Beth was a great support to me personally and I appreciated her friendship more than she will ever know. She had a great sense of humor and we had some laughs. She always looked out for others. This world is worse off without her. I am blessed and honored to have called her my friend. Prayers for her husband Mark and her family. I know they will miss her sooo much!
