SGT Noah P. McCarren

SEP 10, 1996 - MAY 15, 2021

SGT. Noah P. McCarren, described affectionately as a child of God, age 24, of Lebanon and stationed at Ft. Bragg, North Carolina passed away Saturday, May 15, 2021.

Noah was a lifelong member of Resurrection Lutheran Church in Lebanon, Ohio, and a 2015 graduate of Lebanon High School. During high school, Noah ran cross country and played Lacrosse. In addition, he was a four year cadet in the Junior AFROTC program at OH-771. He attended the University of Cincinnati while simultaneously participating in the AFROTC program. He enlisted into the U.S. Army on August 7, 2017.

He attended basic training and airborne school in Ft. Benning, Georgia before being transferred to Ft. Bragg, North Carolina. Noah was a member of the 1st Platoon/Charlie Company/2-325 Airborne Infantry Regiment/2nd Brigade Combat Team and a veteran of Operation Inherent Resolve. He spent his time overseas in Iraq and Kuwait serving his country.

Respectful, confident, outspoken, intelligent, brave, selfless, dedicated, loyal, and a good friend, Noah lived life to the fullest. He chose his words carefully, appreciated structure, and had a deep belief and conviction in God. He commanded respect without trying and loved his family. An avid reader, he loved the outdoors and was described as a person who actually enjoyed sleeping in the dirt. His outdoor hobbies included hunting, fishing, camping, mountain biking, and hiking. His literature of choice included history, especially military history, westerns, science fiction, and anything newsworthy that included current events. He had an appreciation for geography and won a geography bee during his young school days. He had a Celtic heritage and enjoyed participating in Celtic related festivals and events, particularly the Celtic festival and parade in Dayton each year. During high school, he and his friends often wore kilts to school on Thursdays in appreciation for the Celtic heritage. Among many things, he will be remembered for his love of visiting the beach each summer while growing up. The Carolinas, and the Outer Banks in particular were a favorite family beach destination. He and his fiancé enjoyed several trips to the mountains of North Carolina, with White Side Mountain being most noteworthy.

Noah and I met while working at Kroger. We became good friends after graduating high school and made great memories over the summer. From fishing, watching the meteor shower that year, to his Jeep breaking down in the middle of a field while trying to off road, to painting pottery, and going to the Root Beer Stand. He was a good friend. Although we parted ways since our colleges were far away, we still checked in on each other every once in a while. Since I didn't have social media, I am just now finding out about his passing, as he didn't respond to my latest check in. His goofy smile and fun filled personality will be missed. I grieve for his family and a life gone way too soon. Fly high, Noah.
