## **John Franklin Miller**

FEB 13, 1973 - AUG 17, 2021

**M**ILLER, John F., age 48, of Franklin and formerly of Waynesville, passed away Tuesday, August 17, 2021, at the Middletown Atrium Hospital.

John graduated from Waynesville High School, class of '91. He went on to receive a Bachelor's Degree in Electronic Engineering from Rio Grande University. He was currently employed at L3Harris, a space and electronics company in Mason. He had been employed for nearly 12 years with L3Harris, and was proud of his work with the recent Mars probe mission in space.

Humble, somewhat quiet until you got to know him, and always willing to lend a helping hand, John enjoyed expressing ideas in interesting conversations with others. During his high school years, he participated and excelled in track, specifically in shot put. He greatly enjoyed computer gaming and anime, container gardening, and genealogy research. John especially enjoyed grilling out at home with an oversized grill, whereby he always looked forward to his big 4th of July holiday party that he hosted for friends and family. Known as "Good Tanker" online, his gaming skills were considered highly advanced by experienced gamers worldwide. His collectibles included old movies, computer games, anime memorabilia, and other items of interest. Among many things, he will be remembered for how devoted he was to the care of his parents, which ultimately he gave his life to. His relationship with his dad was more of a friendship, complete with bargaining hunting, coupon clipping, and attending auctions and flea markets for deals.

He was preceded in death by his parents Homer and Jacquelin Miller and one brother Carl Miller. He is survived by his two brothers Greg (Christy) and Jeff (Lois) Miller; two nieces Megan Miller and LeAnna Mann; one nephew Daniel Miller; two great nieces Alanna Houston and Elizabeth Jacquelin Mann; and one great nephew Issac Mann.

A combined funeral service for John and his father, Homer, will be held 11 AM Monday, August 23 at Stubbs-Conner Funeral Home in Waynesville. Tom Chattin will be officiating the service. Burial will be in Miami Cemetery, Corwin. The family will receive friends 5 – 8 PM Sunday, August 22 at the funeral home. For those unable to attend the services in person, you may watch

John, It just doesn't seem right that you are gone, even though I know your in a better place! I will miss you, your stories, the jokes you showed on your phone, your knowledge of history and all the other things about you! You were always the better person even when people didn't deserve you to be! See you again one day!

What a sweet family the Millers were in Corwin and Waynesville. I met John when my boys were small and in school at Waynesville. Jackie became a friend and we did numerous projects together in garden club and won ribbons. John was always there to help as needed. John was always smiling and into something! He will live always in the hearts of those who knew him. He was a loving son and brother.

So sad to see that John has passed. He was such a good guy, the thing about all the Miller's is that they make you feel like family. One of my favorite memories is from John's July 4th BBQ. He really enjoyed having everyone there. Rest in peace John.

John was so devoted to his parents and really good to his dad after their mom passed. All four of the boys took good care of them. I remember John as a little tow headed boy about 3 or 4 popping down the side of our house on one of his frequent escape trips. My mom (Jean Buchanan) would run out and grab Johnny take him in the house and feed him. We all kept an eye on Johnny as he was a notorious escape artist. All the tricks Homer and Jackie did couldnt hold him. John was a big talker with us and had a variety of interests which he was very knowledgeable about. He was a compassionate caring man. John will be missed by many.
