So very sorry. We all lived at the apartment in Lebanon and she loved to play cards. Haven't seen her daughter and son in such a long time. My dad built their first house. Wish I had come to visit her. Jim and I have been sick and did not want to give to anyone else. Joe, so sorry Linda Leak

Dear Cousin Judy's family, We have always loved Judy and her optimistic happy attitude although she had problems with her health. We got to see her at LCNB and she lived at the same apartments as our Grandson Jordan and wife Kassie at one time. I would often encounter her on face book but had not heard from her or family in some time and we did not realize she was so ill. Jody & Denny, Crystal & Craig and all the family we loved her too. Bill and she often joked that they were "kissy cousins". We will always remember Judy as we do her parents Uncle Mark & Aunt Elsie. Jesus said: "I go to prepare a place for you." and "In my Father's house are many mansions." Judy has earned her mansion. May your precious memories help to sustain you through this time of grief and in the future. May God Bless you all. Love, Bill & Carole Bogan

I am so very sorry to hear about Judy's passing. I always talked to her when I visiting LCNB as a customer. She made you feel so special. Then when I placed my mother at Quaker Heights, Judy was there as a resident. She made my Mom's adjustment so pleasant by her warm, caring personality. I dearly appreciated her so much for her friendship to my Mom. I would stop by and wave at her when she was moved to Health Care. Such a beautiful person. Will be praying for your family.
