Suzannah "Suzy" Howard Lundy

SEP 18, 1961 - JAN 7, 2024

LUNDY, Suzannah "Suzy" Howard, age 62, of Waynesville and formerly of Oregonia, passed away peacefully and with family at her side on Sunday, January 7, 2024.

Suzy founded, owned, and operated Kennel Des Les Anges, a kennel, dog training, and grooming business located in Waynesville. Her passion and love for dogs led her to a business that she grew and served so many clients and their beloved pets for the past ten years.

Early on, Suzy had a passion for horses and horse riding, which led her to meet and marry the love of her life, Dick Lundy, a world-class thoroughbred racehorse trainer. Suzy worked alongside her loving husband, Dick, as they traveled worldwide, training and racing some of the best thoroughbreds in the global horse racing industry.

Following her time in horse racing, Suzy continued her passion for working with and developing young dogs. Among others, she was fortunate to work with Fifi, the Doberman who made it to the final round at the Westminster Dog Show in 2011. Trail riding on horseback became Suzy's favorite hobby. She was an active volunteer working with the Dayton Dog Training Club and the Warren County Kennel Club. Suzy regularly attended the services of Faith Building Church, as she was moved spiritually by their Pastors and loving Church members.

Loving, caring, energetic, influential, and a mentor to many young people, Suzy was well-loved and respected by all who knew her. She loved animals her entire life and seemingly spoke their language when addressing their behavior, needs, or care. Over the years, she took in and cared for many dogs that were abused, neglected, or unable to be cared for in a variety of circumstances. In addition, she rehabbed and found loving homes for just as many dogs. Just as important, she connected to people and relationships, personally and professionally, through the care of animals.

Suzy loved her family and always made time for her nieces, nephews, and cousins in so many ways, as they knew how much she cared for them. And the staff who worked with Suzy at her

kennel became her family as well, as she taught life skills, responsibility, hard work, and dependability through the care of the animals and facility. The connections Suzy made with her clients, their pets, and her staff became something she was proud of immensely.

She was preceded in death by her husband, Richard "Dick" Lundy, in 2019 and her parents, Hugh G. and Judith R. Howard. She is survived by her brother, Hugh "Chip" R. (Connie) Howard; aunt, Joan (Todd) Hayes; niece, Kathleen Howard; nephew, Matthew Howard; cousin, Katy Scarce and her son, Gavin Untersinger; and numerous extended family members, cousins, and dear friends.

A Celebration of Life gathering will be held from 1:00 - 2:30 PM on Saturday, January 27, at Faith Building Church in Lebanon. A Memorial Service will immediately follow the gathering at 2:30 PM on Saturday at the Church. Pastor Anthony Wade is officiating. Stubbs-Conner Funeral Home in Waynesville is serving the family. If desired, contributions may be made to Faith Building Church, Old Friends, Inc. or SICSA. Condolences at www.stubbsconner.com.

Kevin and I offer our heartfelt condolences to Suzy's family and friends. Suzy, Dick and I were brought together by a dog, imagine that. I'd admired Suzy's dedication and talent as a dog trainer and handler even before we became friends. Suzy had loved the Dobermans I bred when she met Dream, this was before we knew each other. She said she loved my dogs because they had beautiful minds and bodies, lol dog people.... Suzy aspired to own one someday and that she did. Suzy and Dick owned Fifi with me. Fifi was a daughter of Dream. Our journeys began in 2011. We had so much fun driving all over the countryside from state to state and show to show. I was showing Fifi, in conformation and Suzy was showing her sister Star, in obedience. Fifi was winning Best In Shows and Star was winning High In Trials. Dick was so proud! What a great team we made. We had such wonderful accomplishments as a team. Our Fifi would go on to make breed history! I've struggled with Suzy's passing because she had such a love and zest for life. Her energy was truly unmatched and her passing has struck me as unimaginable. How could anything remove her light from this world. Over the years Suzy and I lost touch. Life has a way of changing dynamics suddenly. Responsibilities change and our priorities can take us in different directions. The last time we were brought together was Dick's funeral, I'm saddened that the next time will be her funeral. Dick, Suzy, Fifi and Star are in the pictures that I've shared. I sure hope that they found each other in Heaven. The picture of Suzy, Fifi and Dick was taken in Troy, Ohio this was the day we became team Fifi! Three of the pictures are Suzy and Star. the other picture is at Westminster, Suzy and Dick are in the crowd watching their girls do their thing, I drew a double heart around them. That evening Fifi would make all the way to the Best in Show class, what a night we had! The last picture was at the top dog of the year party where Fifi was awarded top working dog. Thank you for the memories, rest softly Suz..... Give Dick and the girls a big hug from me. Love, Jocelyn

The picture on Facebook stopped my scrolling. I KNEW that smile. Oh my... it is dear Suzy Lundy. Haven't seen her in years but loved being around her back when we were competing in obedience trials. She was always a bright spot, and so was her husband, Dick. You two graced this earth for a time and brought joy to many. Enjoy your heavenly home, dear ones.

Suzy's caring heart showed in everything she touched. She was so patient with our nervous puppy and it seems her same love for our pets is now instilled in everyone who ever worked for her. She will be missed so much.

I first met Suzy when she was a young girl and her mother and I were friends through horse ownership and riding. Two and a half years ago when our puppy needed playmates we reconnected when I found Suzy's 'treasure' of a kennel and felt an instant kinship with her. What a caring, talented and lovely woman. I hope to go trail riding with her in eternity and think we might see two packs of dogs running alongside. Love you Suzy. I miss you. You are with God now, and He IS love. Alice C

My heartfelt sympathies extend to Suzy's many families she nurtured during her too short time on this earth. When I first met Suzy, her compassion for all creatures and her passion for life shone brightly, such impressive energy she held. I only knew her a few short years, and not that well, but she was truly one of my favorite people, and I always looked forward to seeing her when I brought Josie for a stay—and Josie always came home a better dog! This world is truly a better place because of Suzy's spirit.

It is so hard to believe that this beautiful, giving, loving lady has passed. She has been such a beautiful influence and mentor on our daughter. We will forever be grateful to her for the love and guidance she shared with Jesse. She shared her heart and her passion and that is evident in the hearts of so many that she touched! We will miss you Suzy! You will forever live on in the hearts of us who had the good fortune to be blessed by your influence and love. Keeping your family, friends and fur babies in our prayers.

RIP Suzy, Suzy's first Doberman, Ziggy, Amber and Jaggers to the left and right. She went from bird dogs to Dobermans, and the rest was history. I gave her my Ziggy because after meeting Suzy, Ziggy didn't want any body else but Suzy, and we all know the impact she made in the Doberman world. Suzy made me proud to be a part of her life, for the past fifty three years we have been friends. I will miss her very much, she was special, the best. JP

I am so sad to hear this. She was an amazing person and had such a special talent with dogs. Our rescue, Martin, was a hard case and she knew just where to put him in the kennel, took special care of him during storms and knew which dogs were good for him to play with. Both Roscoe and Martin were always excited to arrive at Suzy's place and went in without looking back to worry I was leaving. I haven't seen her in a while and I didn't know she was sick, but I miss her already. Prayers for the family.

So many memories I'm not sure which to choose. I grew up with Suzy helping care and mentor me as a young girl. She was like a second mother and older sister to me. She was there for the birth of my son Gavin and always helping me with parenting advice as he grew up. We had so many great times together. I miss and love her very much. I am glad I was by her side until she took her last peaceful breath. I know she is reunited with her late husband Dick, Mother, Judi, Father Hugh, my dad and lots of animals who are so happy to see her. Rest in peace Suz. Lots of love. Katy
