I knew Jimmy Joe well, I remember him at Linkous park. What a great diver Jimmy Joe was. I hung out with his brother Frankie a lot, but I cared for the entire family. They always made me feel welcome. I have not seen Jimmy in many years, but his presense will be felt forever. We'll all see you soon, Jim. Cousin Rick##imported-begin##Rick Brown##imported-end##

It has been a few years since this cousin had seen Jimmy Joe. I am the daughter of George and Lucy Stamper Hall. Growing up I was around Jimmy Joe at family gatherings, picnics and going to school with him was fantastic. If you were a wall flower, he could make you center of attention. He was fun to be around and would stop the show when he danced. As adults we didn't communicate too often. He loved kids. My daughter initiated a new shirt the first time he held her and he said she was his kind of kid, pee on you and look you right in the eye. I will miss him. My sorrow goes to Rita, Sammy and Roger. God Bless you and keep you safe. Love from Jenny and Norma.###imported-begin##Ula Hall, but known as Jenny###imported-end##

Well said Rhonda. And, those of us who frequented Linkous Park Pool...like on EVERY Welch, WV summer day... especially on Saturday afternoons after the Record Hop in that little town... remember that Jimmy Joe would be the "star diver" off the 12' board with all the twists, jack-knives, swans and back dives that few if any others of us would even dare trying. Yet, he made each dive look so simple! To dance and to dive so well at an age when most of us guys were still tripping over our 2 left feet back in the early 1960's made the younger Jimmy Joe Stamper's rhythm, dancing and diving tricks all the more special!By the way, I lived in the Lebanon/Waynesville/Mason, OH area for some 10 years during the 1980's-1990's. And, I read that's where Jimmy Joe Stamper's final services will be held. We should all take comfort in knowing that Jimmy Joe's services will be in one of the most peaceful, and friendly communities of the midwest U.S. that anyone would ever care to know or visit. If you ever have the occasion to visit southern Ohio, north of Cincinnati, stop by Waynesville on OH route 42. It's the closet little town to Welch...outside Welch, WV that you've ever seen! When you go there, you'll see why!My condolences to Jimmy Joe's family, along with fond memories of a shared past with others from the Welch/McDowell County area. We share in the mourning of your loss.##imported-begin##Bob Greene##imported-end##
