Loey and I were best friends in grade school. When I met the family, "Wella Mae" was the baby. Mrs. Nelson and Mr Nelson were an anomaly in that they allowed their children and others to know how much they cared for each other. Mrs. Nelson was always so serene. I spent many happy hours in their home. I received a wonderful letter from her when I had sent a 'surprise' 50th birthday card to Loey, not knowing she has passed away. She gave me an update on the family at that time. My condolences to the entire family.##imported-begin##Nedra Massie Solomon##imported-end##
