Berges Family,I was so sad to read of Jon's passing. I have many fond memories visiting your family as a young girl. I cherish my memories of his love for model trains and his homemade ice cream. He always made me feel important and I value these memories and know he will be greatly missed. What a guy! Jon always had a smile, and a joke for me. He always made us feel so welcome in his home and shared his beloved garden with me giving me a very special peony plant that grows to this day, so beautiful, just like him! We will miss him and I know that he is in heaven, there with my Dad. Pat, we love you! God so loves you both!##imported-begin##Connie and Steve Hawkey##imported-end##
