My two sisters, Judith and Christine, have been doing genealogical research on our family for more than a year now, and through Christine's amazing ability to research our family history, happily located Robert (Bob) and his family in the process! I was fortunate to have met him in the early 1970s, when he visited our home in Anaheim, California. Our father, Charles Allison, had a wonderful day with him, and afterward told us what a fine young man he turned out to be. Dad liked him so well, he gave him one of his cars out on the driveway! (Believe me, for my dad to do that, Robert had to be a terrific guy!) Dad passed away in February 1979, and we are grateful they had the opportunity for such a wonderful visit. Because we are a Christian family and live in the blessed hope of Jesus Christ, we believe we will see them again. We pray for Robert and all those who loved him and cared for him during his illness, and we are saddened by his passing---much too soon. God bless you, and we hope that you are comforted knowing that he is with our Lord. To The Beloved Family Of Robert Although I never had the pleasure of meeting Bob, I knew his kindness and understanding through my family. May God, who has called Bob home, give you peace, strength and faith that HE always knows best.##imported-begin##Judith Delaine Allison##imported-end##
