On this earth there is no comfort in parting; no joy in departures; yet there is the hope of meeting again.No loss is closer than our own, but as we feel quite close to Dale & Dianawe share their loss by remembering our own.If Christ had not come, now would be real pain forever.His pain comforts, He has been there.He has come back and wants us to be His forever.My you all look to the hope and be comforted (blessed) in your sorrow (Matthew 5).##imported-begin##Ron & Brenda Cooper##imported-end##
