My heartfelt sympathies go out to the Scherbauer family. I worked under Mike from 2004-8 for USX. He was straightforward, tough and fair. A man who quickly earned your respect. In short, as good a boss as this old driver has ever had. Mike, I know you're gone, but rest assured, you will never be forgotten. R.I.P. My Friend.##imported-begin##Bob Gibson##imported-end##

To Mike's Family: I hope you can find comfort in knowing he impacted so many of us, so powerfully. I would have not taken my job with USXpress had I not met Mike in my interview. I cant imagine what work will be like without him in our corner. He was such a blessing to all of us that work overnight-- always faithful to be there for us. I pray that you will be able to find strength in God during your time of mourning. Most Sincerely, Gwen##imported-begin##Gwen Hoover##imported-end##

Mike, you will truly be missed. I always felt bad about calling you at night, but always knew when i needed the help who i could turn to. Mike was always there for folks when he was needed, and thats why he had the respect of so many others, and what made folks go the extra mile for you, Mike, because those of us that had gotten to know you, knew you would be right there with us. To the family, I never had the opportunity to meet Mike face to face, but worked with by phone and email. I have never spoken to a more respectable person. Your family and Mike will be in the thoughts and prayers of my family.##imported-begin##mike brumlow##imported-end##

I can say, Mike will be greatly missed by all of us at the Wal-mart dedicated site in Pageland, SC.. You could call or email Mike almost anytime and have an answer or fix in a timely manner. But, on a personal level... I had lunch with Mike last Tuesday and enjoyed a ride in his GT Mustang. Mike knew I'm a big Ford fan and I had asked him about bringing the Mustang down to cruise the town. So, while having lunch... he told a story about his wife leaving a set of tire tracks in the garage at home... when taking the car for a spin... he gave a great smile and laughed. Anyway, I could feel a great sense of pride in Mike about his family and without saying the GT Mustang.##imported-begin##Scott Stroup##imported-end##

Mike, no matter how hard I pray nothing can bring you back into our lives. The memories will be with us forever. When I look at our daughter and granddaughter I'll always see you. Debby believe me I know what your going through, words can't express, but time will ease the sorrows. Mike, who I knew was a kind, sincere, passionate, and always the type of guy, to tend to go for the people who needed him most. I meant Mike when he worked at Esther Price Candies on Wayne Aveue in Dayton. He left the candy store to go into the Marine corp. Mike was stationed in Thurmont, Maryland where he was stationed at the Presidential Retreat "Camp David" he worked with the Secret Service while at Camp David. From there he went to South Carolina to become a Drill Instructor at Parris Island. Mike came back home to become a police officer at Riverside police dept. Then he was on Mad River police dept. This lead him to work with Greene and Warren counties. His final job was with US EXPRESS. Michael, I wil promise you, I wil take care of your daughter and granddaughter. They will always be apart of us. LIFE IS TOO SHORT! Everyone who ever came in contact with mike always liked him, he was one of a kind. I'm very lucky to of known you for over 40 years. I'll always think of your families, and I know you'll always be looking down on all of us. You will be missed, more than you can imagine. Just remember 831 always. Prayers and condolences are with your family and my daughters family. LOVE ALWAYS AND FOREVER AND EVER.##imported-begin##Betty Scherbauer Spence##imported-end##
