Ed and Family,Lloyd, Nicki and I are so sorry for your loss. We always enjoyed it when Linda would stop by the office or call. She was always cheerful and was so efficient, keeping everything (and every one, especially the boys)in order. She took the business client relationship into the personal relationship and we always appreciated her. She will be so missed...and we are so blessed that we were able to get to know her over the years.##imported-begin##Jim Back##imported-end##
