I remember your dad as a quiet man with a big smile, a frequent chuckle, and a limp. He always seemed to have a positive spirit about him. It seemed to me like he was always missing some hair on the top of his head but that did not seem to bother him. Through my eyes as a child, he was my best friend's dad as well as my neighbor. I liked being around him because of his smile and his quiet way.##imported-begin##Judy Lovett##imported-end##
