Joyce, so sorry to hear about Carlos, he was a great ham radio friend that I enjoyed visiting and chatting with. He'd always say to me, "Behave yourself Marion," I knew it was a great friendship. You and your family have my sympathy, if I could I'd be there at his Funeral. God Bless you all. Marion-KQ4GE in Jackson, Tennessee.##imported-begin##Marion Cochran##imported-end##

To Joyce and the family, my sincerest condolences for the loss of your husband and father. I always considered him as a true friend and fellow band mate. I can only say that I count it a privilege, and blessing, to have played on stage in front of hundreds of folks, many times, with him, and as a result I learned how to play and conduct myself as a professional. I am grateful for those times, and how he taught me to be a better musician and person. I would like to think that he has found our other band mate, Kenny Bussell, up in heaven and they are firing up "Sally Goodin" as they did so many times down here. I am sure Barb and Lonnie are smiling ear to ear as they have found their Dad. I hope that Carlos and Kenny have found a deserving rhythm player, as it is not easy to hang with those boys. I am missing you pal.....##imported-begin##John Cole##imported-end##

I just lost my best friend. I picked up the phone to call him today. I talked to my dad every week sometimes everyday and then there would be a spell of not talking for a while but I always knew he was there. I loved giving things to my dad because no matter what it was, it always pleased him. I have always been so proud of dad. There was nothing more perfect than my dad hugging me and telling me that he loves me. Then I would tear up when he would tell me he is proud of me. I know he is tuning up God's banjo now and catching up with Barb and Lonnie. God bless you dad.Kathy would make dads eyes sparkle and she would spoil him rotten. He could melt her heart in less than a second. My wife and daughter has a huge empty hole in the middle of their hearts. Dad always called and checked on them. He loved them as if they were his own.###imported-begin###Carlos & Kathy Jones###imported-end###
