Though we didn't get to spend much time with Mrs. Plummer over the years, we were always impressed with her positive attitude and demeanor in the face of life's many challenging opportunities when we did meet up. Looking forward to seeing her again shortly given the speed of events in the world around us.##imported-begin##The Turgeons of Edmond##imported-end##

Dear Roark, Ramona, Evan and Heather,Our hearts and thoughts are with you during your precious loss. I/we have very fond memories of your dear, sweet mom/grandma. One happy childhood memory was when your parents played cards with my parents on Saturday nights and long about 1-2am your mom would fry up beef bacon (something we did not have at home) and make BLT's. Mmmm, so good I have never forgotten it. She was always filled with cheer, smiles and sweet, kind words.Please know that we are holding you very close in our hearts during this time of such tender loss.Love, Steve, Becky, Trevor, Bryce, Grace & Jurney##imported-begin##Becky Curtis##imported-end##
