I have many pleasant memories of my mother she had a shop called Shaker world with her brother and his family and I use to go down with her on weekends while she waited on her customers. We also. Used to go on vacations to pleasant hill Kentucky a Shaker village and to Berea Kentucky.Mom used to take out to eat and was very good to me. I use to clean house for her and she took me to movies and paid me to be her housekeeper.I will always remember her.

i miss my mother very much. she died the fall after i entered a nursing home in moraine ohio in july of 2011. i wasnt able to visit her after i entered the nursing home except once right before she died. we used to go on vacations to pleasant hill kentucky and to boonesborour kentucky after we moved to kettering ohio to her home in the suburbs. i kept house for her then. i had a son i gave up for adoption. she pretty well handled my life after that. i am going to publish some books now or soon i think she would be proud of me for that. i also am going to be moving soon to a studio apartment at an assisted living waiver nursing home. i hope mother can look down from me in heaven and be proud of me. i still love her dearly. karen lynn greiner her daughter
