you and your unconditional love for your firnedes like Chandi are amazing.I am really amazed at how wonderful you are she is when you are together.It is a pity that you cannot come to ChristChurch and spread your inspiration around here as our non-human firnedes have been completely unsettled by our continuing earthquakes.If I make it to England one day to see you and Chandi perform I will be happy to meet you and shake your hand.Watching your videos are so inspiring and bring happiness to our bleak days###imported-begin###Kupid###imported-end##

I met Reda when I was 15 yrs old...That's what SHE told ME years later when I thought I was meeting for the first time. What a memory! And what a special thing it was for me to get to know her. She...was...PRICELESS! Over the next 30 some years we were in and out of each others lives. She was one of those friends that you might not see for months or even years and then when you did see each other, you picked right up where you left off...that's a timeless friend. I still hear her adorable laugh every time I think of her...thanks for all the memories Reda!##imported-begin##Sheryl Williams##imported-end##

(John 5:28, 29 states) (28) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice (29) and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.##imported-begin##Alvera Conyers##imported-end##
