Hi Glen and Ned, Been thinking about you guys relcetny so i figured i'd do a bit of detective work and track you down. Good to see that you are soing well and still gigging lots. Tried to find Ned on facebook but had no luck.eventually did some searches on Scapegoat and found this site. Looking good guys! Will try and find you on myspace now.see if i can hear some tunes. I'm now living in Brighton England after a brief time in Norway post Ned's visit to the UK back in '97. I'm still in touch with Kathy. she just got married relcetny and is expecting a baby in a couple of months as well! She's doing good.lives up near Brisbane somewhere i believe.but i may be wrong. Still have great memories of meeting you in the Blue Mountains. Those Yabbies sure were elusive that night. Good Friday 1996 i seem to remember. I'm also still playing music. You can check out a band i play in called DATES on myspace /datesmusic We recorded an album relcetny.there's some songs on there from the album.got a few youtube clips up as well. Good to find you again after all these years. Keep Rocking! Ric###imported-begin###Rada###imported-end##

Wilda,Gary,Larry&Linda. I am very sorry to here of your loss. I wish i would have known about this in time to come to Jason's viewing. After talking to Gary and Larry at Mike's viewing it brought back the great memories of time spent with your family and being a part of it for a few years (thank you Wilda). I still remember Jason building his home made tractor in the basement garage and also the time we went rabbit hunting in the woods behind our house. I pray that God will be with you a bless each one of you. Terry Reed###imported-begin###Terry Reed###imported-end##
