I am deeply sorry to learn of the passing of Janet. Her death comes too quickly after the death of her brother and my family remembers both of them from our younger years. We were so glad when all of you "girls" visited our mother, Goldie Rutherford, for her 80th birthday celebration. At age 92, she still remains alert. Mom always remembers her grandparents, the Bishops with much love for the years she spent with them.Thinking of all of you on this sad day and pray for peace in your hearts. Family of Goldie Rutherford, cousin of Janet Judd.##imported-begin##Sandra Brown##imported-end##

Oh Amy I am so glad that I had the great fortune of meeting and becoming a friend of your sweet Mother. I enjoyed her so much even if we only knew each other for a short time. I will never forget her little chuckle that you and I shared with her just two days before her passing and her telling us "you girls are crazy". May her love for you help comfort you and give you strength to get through this most difficult time. Thinking of you with love and prayer.##imported-begin##Barbara Waymire##imported-end##

Our prayers are with you kids at this time of grief. Imagine the reunion going on in Heaven right now with the friends and family who went before her! We can only imagine. We shall all be together again soon and what a glorious day that will be. Keep the faith and know she is free of all the pain and suffering endured here on this earth. It's so hard to accept since we are the ones left behind, but believe me, time will heal, but you will never forget the great memories. I still miss my Mom everyday. I can smell her, feel her presence, and I believe she is with me everyday. Love to you all and I will keep you in my prayers. Liz and Jeff Leyes##imported-begin##Liz McElroy Leyes##imported-end##
