Kenny passed away two weeks before my Dad, Leo Epperson. It's been two years since his death and we didn't know he was gone until now. Mom and I are grieving Kenny's death today Nov. 4 2014. He was a great neighbor for many years in Ohio and would always come back and visit Dad over the years. May GOD bless Chris who was like my brother when we were little kids. Pam Epperson Seiber

You are Chandi are spectacular! What a wofrednul friend and companion you have, and to think she is a rescue dog. I'm so impressed. Dogs are so much smarter then most give them credit for..and you have done an awesome job, giving her love and teaching her to dance. I would love it if you had a moment to give me an idea of even how to begin to teach my border collie to dance. I hope you win!##imported-begin##Carla##imported-end##

Our dear friend Kenny was so dear to us. He always had a smile on his face and so willing to help you in any way he could. He was just like family. He will be so missed at all our bluegrass gatherings. We will so miss him calling us and coming to our bluegrass partys with his fried chicken.I always called him my wing man. We will never forget this wonderful and kind man. Until we meet again, we love you. May God keep you in his kingdom. God Bless you. Kenny was a fine gentlemen who will be greatly missed for his smile and great sense of humor. He was at many bluegrass jams at Cassia, Florida, Southern Palms, and Howard's trailer and other venues. There will be a big empty spot left with out Kenny. He really and truly loved bluegrass music and we all looked forward to seeing him at the jams.He made sure the musicians didn't go thirsty and we all know about the chicken. He was a great friend.
