Family: Jim and I are so heart broken to loose such a good person as your wife, mother, grandmother, sister, and friend. She is joining all her family before her and someday, we will all meet again. I hope she knows Billy when they see each other, I'm sure she will and he will know her. She is one great woman that would do anything she could possibly do for someone in need. We love her and will miss her until that wonderful day that I'm looking forward to. Love to all,##imported-begin##Linda and Jim Leak##imported-end##

Casey, I was so sorry to hear of Pat's passing. I know she has struggled for such a long time. I pray that you and your family find peace and comfort during this very difficult time. Know that we are thinking of you.Carolyn & Paul##imported-begin##Carolyn Inciardi##imported-end##

So sad to hear about two sister, who were friends that grew up with me in Lothair Kentucky.The Dewey Jewell family were good people and well liked . Though we did not see each other for many years, the memories are still with us all our life. It is with heartfelt "Prayers" that I am sending to the Family and friends left behind. May GOD be your strength as you go forward during these days of grieving. Shirley##imported-begin##Shirley Riddle Stacy##imported-end##
