I'm sorry I can't attend viewing or funeral -- as your cousin I want to let your family know that when we were growing up I remember the really early years, as I left OH in 1965 and rarely came back and even then we didn't spend time together. But, I remember days at Uncle Jack and Aunt Evelyn's home in Harveysburg -- picking peaches off the trees, feeding the rabbits -- eating around the big table with all the good food that they grew and cooked -- I can close my eyes and see it all. I didn't know you children and grands and greats, but I knew my cousin Chubby. May God be with you.##imported-begin##Sandra (Sandi) Shipe##imported-end##
