George Edward Wentler

AUG 16, 1938 - FEB 19, 2025

WENTLER, George Edward, age 86, of Waynesville, Ohio, and formerly of Parsons, Tennessee, passed away Wednesday, February 19, 2025, surrounded by his beloved family members at home.

George was born in Elkhorn, Wisconsin, to George Charles and Mary Ann (Carruthers) Wentler. He found the love of his life, Chris, and were married in 1958. He earned a PhD in Chemistry, which led to a distinguished career with Procter & Gamble across business sectors in Cincinnati, Ohio, Norwich, New York, and London, England.

He was a member of the Olive Branch Church of Warren County, A Global Methodist Church, who had a strong faith and lived by it. George would reassure others by telling them to “keep the faith” or “there is always hope.” He lived by “The Golden Rule” - to treat others as one would want to be treated. He was someone who could always be counted on and treated others with respect. He was well-known and liked as an advisor (when asked) and an all-around problem solver. George’s quick wit and kindness were appreciated by many.

He had a strong moral compass which guided the family. Family was most important to George. While working, it was understood by staff, should his family call, he would drop everything to talk to them. Among many things, he will always be remembered for the pride and love he had for his wife, daughters, sons-in-law, and grandchildren.

It should be noted that at the age of 23, George built his and Chris’ first home with nothing more than a hammer, level, triangle, saw, and shovel. George had a love and respect for nature and the environment. His gardening prowess was almost legendary (100 tomato plants was not uncommon). He enjoyed tending to the many gardens and sharing the produce with friends, family, and strangers who would “shop” freely. Fishing, mushrooming, and deer hunting were favorite pastimes enjoyed by George. He had an appreciation for classical, country & western music.

I remember my Uncle George with loving memories. As a child I have fond memories of him always being upbeat, happy, full of joy and a smile on his face all the time. We shared the same birth date. As an adult, I stayed with him, when he was in London, when I ran the London marathon. He was so happy I stayed with him. The night before the marathon we had popcorn and a glass of Sherri. Later I also found out that he had called my mother, Jean (Wentler) Lindgens to express his happiness that I had stayed with him. He and I were also kindred spirits of a shared affiliation. In Christian love, and in that shared affiliation I know that he was met at the pearly gates of heaven where the Great Architect of the Universe, He who sitteth as judge supreme, greeted him with the following: "Well done, good and faithful servant, enter thou into the joy of thy Lord." May God bless each of you during this time and rest in the fact that we will all be rejoined and as him in heaven. Love Dale Lindgens Nephew to George

George was the consummate friend. We spent so many days on company trips, outings, dinners and at his farm in Ohio. His passing saddens me greatly. He so loved his family and always filled any occasion with laughter. His sense of humor was boundless. The world has a lost a treasure, but there is undoubtedly greater laughter now in heaven. Uncle George will be missed, I always admired and looked up to my Uncle. So full of kindness and caring. I remember when I was in grade school, I had such a terrible time with math. I could not grasp the concept of zero. My uncle came to our house a few times and worked with me so I could pass math. Another special moment was when I had my first child. My uncle George took the time to call to congratulate me, wish me well and to find out if I needed anything. God bless you all as you find peace during this time of separation. Niece to George, Gloria Robichaud
