

Charlotte P. Bradley

December 20, 1957 - April 21, 2021

BRADLEY, Charlotte P., age 63, of Waynesville and formerly of Tampa, Florida, passed away Wednesday, April 21, 2021 at Miami Valley Hospital.

Charlotte worked in several car dealerships over the years, including Roger Whitley Chevrolet in Tampa and Voss Chevrolet in Centerville.

Bubbly, happy, caring, and loving, Charlotte was talkative and loved having conversation with others. A Florida girl through and through, she enjoyed hanging out at the beach during her younger days. She appreciated cars and also enjoyed NASCAR. One of her fondest memories, while working for Roger Whitley Chevrolet in Florida, she once got to ride in the lead car around the track to start the Firecracker 400 in Daytona. Being a supportive mother and Meme, she was most proud of raising her daughter and spending time with her grandchildren. Among many things, she will be remembered for how much she loved her dogs, especially the many bulldogs she cared for over the years.

She was preceded in death by her parents Bobby and Lola Philpott. She is survived by her husband of 37 years, Edward; her daughter Rebecca "Becky" Bradley (significant other David Moeller and his son Jaxon) of Lebanon; three grandchildren Emma, Ella, and Sophia; and her brother Harry (Sue) Connell of Tampa, Florida.

“ I'm so extremely sad to here of Charlottes passing. We always made sure to check in on Mother's Day on Facebook and when I went to her page I found the sad news. Charlotte was my life long friend. Our parents lived catty corner from each other and we were born one month apart. We grew up together... Even though I haven't seen her face to face for years we would still share old family photos and memories on Facebook. The though if her being gone is heartbreaking to me. She was such a force of love and humor! Sending love and prayers to Becky and all of Charlottes loved ones.

“ My condolences to this family. Too short a time after reconnecting with Charlotte on facebook. We attended school together when young. Such a sweet person.

“ I am so sorry to hear of Charlotte’s passing. When I was younger I remember my Mammaw saying she loved that Charlotte was a high spirited straight shooter and the two of them could be ornery when they got together! They’d laugh in a way that you knew they were up to no good! Charlotte always had a special place in my heart because of her genuine disposition. We will miss her! Prayers for Eddie and Becky and her family. Charlotte definitely loved her family!

With Love,

“ I knew Charlotte from the neighborhood and school. She sold me my first Firebird and was always so sweet and friendly, just like her Mom. So glad she connected with me these last few years. She will surely be missed!

“ There are too many memories of Charlotte to share. Being friends first, we then became roommates and never had a cross word between us. I talked to her almost daily and it hurt so much to hear about her constant pain. I know her momma and daddy will look after her now that they have met again. I'm already lonesome for her voice and am sorry that with both of our health problems we were not able to see each other again in person. She knows I'll be thinking of her and remembering our hijinks throughout the years. Sweet dreams, girlfriend.

“ Charlotte and I go back to those Roger Whitley days. She never met a stranger. We used to ride together to work and back and we sure had some good laughs. Charlotte was a very close friend and even attended my wedding. She did better in that category She was one of the sweetest people I've ever met and there have been very few. RIP Charlotte till we see each other again and we'll ride around again in that White Trans Am. Love ya girl!
