“ My Dearest Glenn,
I will always have memories of you! Every time I walk a Lowe's outdoor garden center you will pop in my mind. We worked together for 12 years ,at 207. We went threw a lot of garden seasons. But I knew every time you were heading towards me, you needed a spotter! Lol! We had some good talks during those's times! You would always gave me encouragement ,laughs and would show off that giggle We would take breaks. Which would include Cheetos or Pringle's and let's not forget a cold Mt.Dew. You had amazing knowledge about fencing. Customers would only want you. I would joke how the back hardline area was your office! Guys will light up about buying a car. You would light up about buying a new John Deer . I could go on and on with stories about you.
I'm thankful that Todd and I came to visit you. I listened to you and Todd talk about Lowe's days. Over 24 years of stories! Then the moment came to say Goodbye. As tears came down are faces. But we will see each other again my friend! Until then rest, in heaven.
Our deepest condolences to your family and friends. Jennifer

“ I am one of the customers who asked for Glenn at Lowes--once I met him. Glenn amazed me. Before I knew Glenn, his daughter Joy kindly babysat my little baby/toddler for me weekly. One day, without knowing Glenn worked at Lowe's, I ran into him there and he recognized Ricky. I was rather impressed that he recognized Ricky, I had to say. Every time there after I saw him, he would be happy to see us and always enjoyed seeing Ricky's growth. He always helped us find the broken bags of mulch (they are discounted) and he would tell us to tell the front, "Glenn said this one is OK." He was clearly well respected and loved by his co-workers. They always smiled when I asked about him. Just writing this memory makes me smile. What a wonderful, sweet, kind quiet man he was--he and his daughter were two peas in a pod. Joy, Dave, kids and grand kids, I am so sorry for your loss.
