

Heath H. Whittamore

December 7, 1981 - July 7, 2020

WHITTAMORE, Heath H., age 38, of Wilmington and formerly of Waynesville, passed away Tuesday, July 7, 2020.

Heath graduated from Waynesville High School in 2000. He earned a Bachelor's Degree in Graphic Arts and Marketing from Wilmington College in 2004. After graduating from Wilmington College, he went to work for the college in the IT department. For the past 15 years, he thoroughly enjoyed his job, all his co-workers, and the students.

Funny, kind, caring, and patient, Heath had a quirky sense of humor and was very good to his family. While he was known as "Uncle Boo" by his niece, Sam, he had a language with his brother that was unique between the two. He was always there for his nieces and nephews, and especially enjoyed practicing his photography skills at their events. He was an avid sports fan, especially of his beloved NC and UD basketball teams and the Cincinnati Reds and Bengals. He always maintained his loyalty to his hometown Waynesville Spartans in soccer and tennis, where he lettered all four years in tennis. Among many things, he will be remembered for his love of 60's and 70's music and sci-fi and fantasy literature.

He was preceded in death by his grandparents Robert and Irma Meredith and Ruth Whittamore. He is survived by his parents Harrison and Karen Whittamore; one sister Heidi (Tim) Miltenberger; brother Nathaniel (Melissa) Whittamore; and six nieces and nephews Lukas and Liam Whittamore, Samantha, Ian, Ellie, and Josie Miltenberger.

A celebration of life service honoring Heath will be held 10 AM Friday, August 7 at the carillon on the campus of Wilmington College. This celebration of Heath's life will be held outdoors and you are encouraged to bring your own lawn chair, if you wish. Stubbs-Conner Funeral Home in Waynesville is serving the family. In lieu of flowers, contributions may be made in Heath's memory to Wilmington College, Office of Advancement, 1870 Quaker Way, Wilmington, OH 45177. Condolences at www.stubbsconner.com.

“ Had a lot of fun times playing tennis with Heath, listening to Pearl Jam, and joining he and Phil watching nerdy movies and playing euchre. My heart goes out to the whole family.

“ My condolences to the family. I have many fond memories with Heath from High School. Movies and bowling nights, movie quotes, and sing alongs to rock songs in the car.

“ I (Mathew Jordan) went to school with Heath and am in complete shock over his passing. I was literally talking to my partner on Thursday about Heath and his father who was our coach. They would give me rides to most of the games we had because I couldn't rely on my parents to. They are an extremely nice family and Heath was so polite, smart, and funny once he opened up to you. Sending Much Love and Many Prayers to his family. You will be deeply missed Heath

“ My condolences. We went to high school and college. He was one of my best friends and we spent many nerdy hours playing euchre and watching Monty Python.

“ I worked with Heath at Wilmington College until I retired in 2016. He was a quiet and shy man. He was good at his job and I always counted on him to get me back up and running when my computer misbehaved. My heart hurts for the loss of someone so young and so much to give to the world. My prayers and condolences go to the family.
