

Julia J. Frasure

October 30, 1946 - March 1, 2019

FRASURE, Julia J., age 72, of Springboro, passed away Fri. March 1, 2019 at the Atrium Medical Center in Middletown.

Julia worked 45 years as an RN. She took great pride helping people at Kettering and Sycamore Hospital, ultimately retiring from her nursing work at Troy City Schools in 2007. In her later years, she served as a Court Appointed Special Advocate (CASA) for children volunteer through the Warren County courts.

Vibrant, helpful, and empathetic, Julia was passionate about life, working, helping others, and her family. She was a huge NY Yankees fan and loved following baseball. She attended every activity that her grandchildren were involved in, and was known to defend her grandsons if the officials made a questionable call. She greatly enjoyed the many trips she went on with her family over the years. One particularly memorable trip included a visit to Israel. She collected items involving rabbits, ballerina glasses, antiques, and her beloved Yankees. She will be remembered for her delicious Sunday roasts and her holiday treats of date pinwheels, assorted cookies, and candies.

She was preceded in death by her parents Oleta and Roy Davidson Sr. and one brother Roy Davidson Jr. She is survived by her husband of 50 years, Keith; two daughters Heather (Dan) Beckstedt and Anne (Chris) Loubier; and three grandsons Zachary, Benjamin, and Brooks.

Funeral services will be held 11 AM Wed. March 6, 2019 at Stubbs-Conner Funeral Home in Waynesville. Julia's husband, Keith, will be officiating the service. Burial will be in Miami Cemetery, Corwin. The family will receive friends 6-8 PM Tues. at the funeral home. Condolences at www.stubbsconner.com.

“ Judy was our school nurse at Concord School in Troy. I was the office secretary. We enjoyed each other as friends. She always cared about the students and I am so glad to have known her. She was so proud of Anne when she received young woman of the year. It was awesome.

“ Dear Keith,

I am very much saddened to hear, via Jeannette, of your beloved Judy's passing.

Keith, I believe that I remember most of the times our paths have crossed. One of the earliest memories I associate with you and your family is of a jigsaw you had in a shed in your backyard in Waynesville.

I will seek your blessing and strengthening through prayer. God is good.

“ I met my husband of 45 years in 1973. One of the first things out of his mouth were stories about Keith and Judy Frasure (he was so proud that he'd fixed them up and they married, lived in Mexico. and came back home to Ohio!). I met Judy in the winter of 1974. She was preparing Sunday Dinner while a little 4 (?) yr old Heather, played at her feet. Judy was all about her family. I so admired that. We became fast friends b/c of our husbands long-time friendship. At one point, we didn't think we had too much in common anymore (Heather was almost grown) and then, what? Almost 19 years! later, she became pregnant with Annie!. Suddenly, we had a LOT in common again. I have, thankfully, been through birth, graduations, weddings & more births watching this dear, spunky woman orchestrating it all, over the course of 45 years. We've laughed, we've cried, we've celebrated, we've mourned (the death of parents, in-laws, her sibling). The birth of each and every one of her grandsons, I know, was the highlight of her life; she was renewed again. each time. She loved her daughters, their spouses, her grandsons, her husband and his family, (ALL of the Frasures!). She tolerated the rest of us. LOL! I'm laughing as I type this, b/c she would totally agree that it was a bitter-sweet friendship in many ways. We forgave each other many times over the years for being who we were, but, I have to believe that we GOT each other's hearts, because we were like-minded on the truly important things - the One who made all of it great. RIP, Dear Judy. The next time I see you, we will be celebrating once again! And we will be the VICTORS over these earthly bodies and this earthly Life! Eternity is a promise. I am a better woman for having known you. <3

“ From Loren Stuckert, "In the late 1960s, while attending college in Louisville, Ky., I was also a Psychiatric Attendant at Our Lady of Peace Hospital where I met Judy Davidson who was doing her Psychiatric training. While my hope to get a date with her did not work out, I was later able to introduce her to my best friend, Keith Frasure, and the rest is history. With over 50 years of memories, I share in the loss of her in this life; however, I know there will be more to come as I will be able to join with her in receiving the King of Kings as He opens the eternal phase of our existence."

“ For many years active in the First Church of Christ of Waynesville. She and her husband Keith was instrumental in growing a youth program. Later she assisted her husband Pastor Keith Frasure in ministry activities at the Waynesville First Church of Christ.
Together this couple guided many youth in development.
Blessings to this family.
