

Linda E. Morgan

April 5, 1947 - July 15, 2017

MORGAN, Linda E. age 70, of Waynesville and formerly of Centerville, passed away Sat. July 15, 2017 at her residence.

Linda was a neat and orderly lady with high energy. She kept a clean house and had a talent for cooking great meals. She loved the times when her family would get together, and during those times she took pride in cooking enough for an army. She was especially known for her chocolate and lemon pies. Throughout her life, she also enjoyed crocheting, being a mother and grandmother, snow skiing, bike riding, and traveling with her husband. A couple of years ago, she and her husband proudly celebrated their 50th wedding anniversary, which she so greatly enjoyed.

She was preceded in death by her father James Sneed and one sister Joyce Ann Myers. She is survived by her husband, Dennis P. Morgan Sr.; four children Sony (Scott) Giacherio, Jim (Bonnie) Morgan, Dennis P. (Teresa) Morgan Jr., Heather (Jimmy) Miranda; nine grandchildren Michael (Julie), Jordan, Justin, Mallerie, Chandler, Parker, Bryce, Cole, and Shannah; two great grandchildren Chloe and Olivia; Linda's mother Beatrice Ransomer; one sister Marie Damuth; special niece Barbie (Mike) Curtis; best friend Patsy (Tony) Borchers; and several nieces and nephews.

A celebration of life service will be held 3 PM Sat. July 22 at Stubbs-Conner Funeral Home, Waynesville. Donnie Smith will be officiating the service. The family will receive friends 2-3 PM Sat. at the funeral home. If desired, contributions may be in Linda's memory to Hospice of Dayton. Condolences at www.stubbsconner.com.

“ I've been friends with Linda and Denny(through Patsy) for a long time now and they have set a bar so high for a loving couple that nobody can even come close. I mean how many couples do you know who have only one car, they did everything together, never separate, joined at the hip. Patsy and I had so many good times together eating out, I playing music, and especially playing Euchre together , the men against the women with Denny always ready to pounce on Linda and Patsy with the last card usually setting them whereby Linda would call him "stinkybutt".

Linda and Patsy would almost fall over each other to get a piece of dust on the floor or a crooked picture on a wall. Nothing wrong with that, slobbs like me need that kind of order.

But on the serious side Linda's core was pure gold and if you ever lacked confidence, she was a great exporter, ready to see the good parts of you . Every memory of her will be a fine treasure to hold onto. Love you girl, see you at the gate of Heaven, I suppose you'll have the place clean as a whistle when I get there.

“ Thoughts and Prayers to Denny, Sony, Jimmy, Dennis and Heather. I guess you could say Linda was the closest thing to being an aunt to me. She was my mom's (Patsy Borchers) best friend and I have memories of her going back to when I (Derrick Plsek) was 4,5,6 years old and beyond. She was around us more than any of my real aunts. Linda & mom would tag team as often as possible and drag us kids into K-Mart on a weekly basis. They would usually pile us kids into one of their two muscle cars. Linda had a Ford LTD & mom a 69 Pontiac GTO. Yes, they would burn rubber at stop lights and bounce the car.

Linda was always smiling along with Denny. Her house was spotless with sweeper marks in the shag carpet and table tops always sparkling clean just like my mom. Linda knew how to put a smile on everyone's face with her crazy sense of humor. She always had my mom in tears with laughter and vice versa.

At times we lived right by the Morgans. I remember Mt. Aetna apartments in Huber Heights where we would hang out with the Morgan's and Linda would fix us kids lunch after playing in the streets or in some field where we built forts. Linda always had cans of Chef Boy Ardee Spaghetti's and Meatballs on hand. That's what I would always request. They had this picnic table type of furniture in their kitchen with slick benches that we would all run to and line up and sit on. Great memories with the Morgan kids.

Then there was the family trips to Wayne swim club for the day. Or drive inn movies or the Flicker Palace with car loads of us kids. Linda could pull teeth better than anyone. She was the only person that my brother and I would let yank those loose baby teeth right out. We would lie down on the kitchen counter top, head in the sink and Linda would joke and laugh. Then BAM! Before you knew it the tooth was pulled.

Finally, I'll always associate the movies "Saturday Night Fever" and "Smokey and the Bandit" with Linda. Those movies were huge hits when we were young. Mom & Linda would blast the soundtracks to those movies over & over. To this day I can see mom and Linda singing along in their muscle cars driving all over Huber Heights like they owned the place.

She will definitely be missed!

With Love and Sympathy,
Derrick Plsek

“ Thanks for those precious memories son.

“ My memories of Linda and I's adventures could fill an encyclopedia, and is hard to name them so I would say this all of them are precious to me. I have laughed till I cried and cried till I laughed. I can say this about her there was no one like her, and there will never be.

She was the ultimate FRIEND, she never once in 54 years was a fair-weather friend. Always had my back, even when police were involved, but that's another story. As I write and all these memories flood my heart and mind I weep. What a void in my heart , loved her then love her now.

“ My best memories of Linda were at Wayne Swim Club with our young kids and the adult activities that were held once a month . In particular was the night that we had a 50's sock hop. Linda and Denny, And all the rest of regulars were there and Proud Mary came on radio ad Linda wanted to dance and Denny wouldn't get up so Patsy grabbed her and they were singing with Tina Turner, oh, Did I mention they had a few ahh drinks? Linda was always laughing, dancing, talking, kidding around , and loving every minute of it . I am so sad that she is gone but so glad that she isn't hurting any longer.

My heart grieves with you.

May our Creator keep you all.

Sincerely and with love,
Harriet Painter

“ I knew her my whole life and I remember her as a loving woman, she loved to knit, color those adult coloring books and took it to a higher level she mounted and framed them and gave the pieces of her (art) to family and friends so they were all included. She def could cook. She will be rememberd by my family as a giver. She amazed me when she met someone she took time for them and really listened about them and never forgot one word. She loved people, life, decorating, her bird Roxie, and playing cards. I could go on, but this is getting long. She fought ovarian cancer like a trooper, up and down days but she pooshed on. Love you, thank you for all you did for Mike, Brandon& Sarah. Noelle, Brittany, Brooke Kevin. They loved you and I will never forget you, we had several adventures together shared many secrets, laughed and cried but most of all We will treasure the love you showed and never forget how fun you were.
