“ Junior picked up our furnaces and air conditioners for years. We were concerned when we didn't see him for a while, He was a great person and I will miss the tin of cookies he always brought at X-mas. “ JR will be deeply missed by our family. He was more than a good friend to us, he was an inspiration at times. We cannot begin to tell you what a joy it was being around him. His smile will always be remembered in our hearts and we cannot thank him enough for taking our son Jakob under his wing and becoming a friend that Jake will never experience again in his lifetime. Jakob was honored and pleased to be able to help JR in a way that alot of young adults would think of as a burden. It gave our son something to be proud of and taught him alot about just being there when someone needed them. I know Jake will always remember everything JR taught him and he will definately remember the talks they had about life in general. He was a wonderful person who brought us such appreciation for the meaning of friends.

Our deepest sympathy goes out to JR's children and grandchildren. "Mark, Angie, Josh, Jessika and Jakob Taylor"###imported-begin###Mark and Angie Taylor###imported-end##

“ Hi Louie, I was sorry to see that your father passed away. I have a soft spot for those experiencing the loss of their father as my dad died when I was a small child. Please know my thoughts are with you and your family. I know that memories become more profound, and moments of the past pop up unexpectedly - I hope you can accept those times as gifts.
