“ , fully immersed in the nature, within the Bunaken marine park you'll do amazing dives, and you're gonna see the most colorful fishes. You'll dive with some very professional guides, they are very talented and passionate in their work. Since I'm handicapped I was a bit worried about the dives, but I must say Pim has been great! After a couple of dives to check out how to manage the situation everything went smooth! He helped with my gear, he swam for the two of us and he didn't forget to look for all those tiny creatures, camouflaged fishes. Sometimes it took me a bit to focus on what I had right in front of my eyes!! I'll never forget the close encounter with a giant turtle I wanted so much to see. Not to forget are all the strong men who work on the boats; they are always ready to help you, they change your tank and check your gear as soon as you get into the boat then they offer you some fresh fruits, lovely people! The food is very good, you can eat a super continental breakfast a la carte, you can choose from scrambled eggs with bacon to pancakes with pineapple delicious! For lunch/dinner you have different types of fishes everyday (remember the Sunday BBQ!!!), always cooked with fresh vegetables! And if you don't want fish there's always a meat alternative. You must also check the jungle restaurant up in the hill, but if you cannot because of a wheelchair they will be happy to cook whatever you prefer and serve you at your usual table in the restaurant. For my stay in Minahasa I was honored to have a personal assistant a nice guy who helped in every movement around the resort, he was always ready to take me to the restaurant for dinner, back to our room or the pool he was very helpful as everybody there, they all are willing to serve you the best they can, and they totally succeed!!! You don't need to think about anything, they have everything you need, and I mean everything! The room is very spacious, super clean, fully accessorized, with your own private veranda luxury! All you have to do is take a plane and fly to Minahasa Lagoon, they will take care of you for a very special holiday. I really hope to go back again, I love that place and the good-hearted people there.

“ Mabel was a friend to everyone, a great mother, grandmother, wife. She showed her love just as Jesus commanded us. I'll see you later Mabel, you will be missed very much here on earth, but what a reunion you will have in heaven!!!! With that thought, I'm happy for you. God bless your family that you've left behind, I love them all!!!

“ I want to express my deepest sympathy and condolences to my Ellis cousins – Susie, Debbie, Patti – and their families and Janie's family, too. We Schmidlapp Cousins also have fond memories of our Aunt MaBel and our visits and summer vacations to your farms. She was A# Aunt on our side too. Her love and (frankness) helped shaped who we are today. Uncle Chet left us too soon and Howard became a good man for MaBel. I will always remember their adventurous visit in the 70's to my crazy downtown NYC and my few (there were never enough) adult visits back to the farm. When I spoke to Aunt MaBel over the phone when Janie passed I said "This is David, your nephew," and she responded, "I know I have a nephew named David and I know it is you."
Peace and All the Love.

“ This is a very sad time ~ but joyous time knowing Mabel went home to be with our Lord & Savior, Jesus Christ! What a wonderful homecoming with Chet, Harold, beautiful daughter, Jane and so many friends that have passed from Crossview (Ferry Church).
I have know Mabel for 50 Years ~ since Jane and I were in 4th grade. So many wonderful memories growing up with the family! All of the shared times at her home with Steve & Susie and the Basic group at church. She always welcomed everyone! I will miss her but so happy she is home with my good friend...Jane.
Love you all ~ Judy Stevens

“ So many wonderful memories of an A-#1 Aunt who will always be remembered with much fondness and of course with all the childhood memories on the farm with cousins and cows, the ones Uncle Chet allowed us to name. :) So many memories flood my mind and not nearly enough space to list them all, so suffice it to say, "Love You, Aunt Mabel, and may your rest be peaceful". Love, Cooky and Family
