“ My deepest sympathy for Teresa especially who has lost so much in such a short time. My prayers for all that loved & cared for Faye. She will be greatly missed for her kindness & love for others. Always remembering those birthday cards, thinking of others when she was hurting herself. Angela received hers in Feb. as usual & was very touched. She will cherish that card with fond memories of aunt Faye.
My love & prayers,

“ My sincerest sorrows to Teresa and all the people of Corwin Pentecostal Church. I remember Sister Faye as the closest thing to an Angel God placed on this earth. All people were enriched by her life.

Teresa and family

I only spent about seven hours with your Mom & Dad, but enjoyed my brief time together. Your Mom touched me in the way she looked out for Walter. I still can see them both in their recliners. I'm very sorry for your loss.

“

I'm sorry to intrude on this sad time for your family, but I think I may be part of your family too.

My grandparents were Hughie & Violet Powell, who lived near Waco and Bybee, Kentucky. My father was Boyd Powell, born in 1926, their oldest son. Both Hughie and my father were born with identical twin brothers, but Daddy's twin brother died before he turned one year old. Grandma told me once that we had family members named Lamb who lived near Waynesville or Lebanon, but no other details that I can remember.

As you can see, my middle name is also Faye, with an "E" and that's what caught my eye when I was looking over the obituaries this evening. I am 60 years old and I have one younger sister and one younger brother.

If you believe we are part of the same branch of the Powell clan and you wish to contact me sometime, I would like to hear from you I live in Centerville, and my email address is: fredlin9522@sbcglobal.net.

Again, I am very sorry for your loss.

“ Theresa, Amber, Josh and families,
Praying for all of you that - God will bring peace to your hearts and let you dwell on all the good memories you have of Sis. Fay and the other's that you have so recently lost.
Saturday I could not help but think (over and over)that it was the best day she had ever had! What she had talked about and sought for so many years was then a reality! And will be forever more....
